Official Announcements

Make it a Day ON, Not a Day OFF...

During his lifetime, Dr. King sought to forge the common ground on which people from all walks of life could join together to address important community issues. Working alongside individuals of all ages, races and backgrounds, Dr. King encouraged Americans to come together to strengthen communities, alleviate poverty, and acknowledge dignity and respect for all human beings. Service, he realized, was the great equalizer.

On January 15, 2007, as we celebrate the 21st anniversary of the Martin Luther King Jr. federal holiday, hundreds of thousands of Americans across the country will remember and commemorate Dr. King by participating in service projects in their communities. Together, they will honor King's legacy of tolerance, peace, and equality by meeting community needs and making the holiday... **"A day ON, not a day OFF."**

Fraud Alert—Don't get Ripped off!

Report Check Scams

The Bamberg Branch Office (CID) reminds Bamberg Soldiers, spouses and civilians to remain aware of current e-mail and check scams. Local criminal reposts have uncovered a variation in the current Nigerian Check Scam.

If it sounds too good to be true, it probably is. Take the time to familiarize yourself with current internet, e-mail and fraudulent check scams. Don't get ripped off! Go to www.ftc.gov and find out more! If you have been victim to a scam please contact the USAG Bamberg Legal Assistance Office at CIV:0951-300-7609

How can I tell if it's a Scam?

There are three commonalities to the check scam:

1. E-mail contact between Seller and Buyer
2. Payment made to you by check drawn on a foreign bank
3. The check is for **more** than the price you are selling your items for.

How the scam works:

1. Seller (victim) advertises a motorcycle, television or other "high ticket" item for sale either online or in the Stars & Stripes. Ad includes an email address.
2. Buyer (scammer), in another country, responds to ad via e-mail (or other non-traceable means)
3. Buyer offers a good price and agrees to send a paper check. Check arrives and is written for thousands of dollars more than the agreed price. Explanations for excess varies with each case and should be ignored.

If you receive a check in excess for an item you are selling either online or through the newspaper, contact the Bamberg Legal Assistance Office at 0951-300-7609 or SA Thomas E. McDevitt

4. Seller deposits the check in his/her bank account.
5. Seller returns the Buyer the excess, usually thousands of dollars.
6. Seller is notified that the Buyer's check bounced. Usually the check is a forgery.
7. Seller's bank recalls its provisional credit and the Seller loses thousands of dollars.
The Seller can lose **money and their item for sale** if they ship it to the Buyer before the check bounces. The Buyer rarely picks up the item for sale because that act could be traced.

All Soldiers and family members that wish to attend should contact Dan Meyers at 0951-300-7489 prior to attending.

Do you know your Body Fat Percentage?

FREE Body Fat testing (three site skin-fold-caliper method) is available at the Freedom Fitness Facility on Mondays and Thursdays. During a skin-fold-caliper test, three sites on your body (such as your thigh, waist and upper-arm/shoulder area) are pinched with special calipers (it doesn't hurt!) The width of the fat that has been pinched is then measured. The results from all body sites tested are inserted into an equation which results in the estimate of your overall body-fat percentage.

Find out today! No Appointment necessary!

Mondays: 11:30 a.m.—1:30 p.m. & 4—6 p.m.

Thursdays: 9—11a.m. & 3—5 p.m.

Tests are conducted in room 106 on the second floor.
